PRESIDENTS REPORT
April 2010

Our first two day competition of the year was successfully run in March with seven arenas on Sat. and six on Sun. Many thanks to our sponsor for the weekend Hunter Rural of Motto Farm, suppliers of most of our horse needs such as fencing material, feed and wormers.

We are sending the newsletter to members by either post or email (you choose), but if you know of a member who is not receiving a copy by either means, please have them contact us so it can be rectified.

The next competition is 29th-30th May with entries closing on the 5th May.

Looking forward to seeing you all at APDC.

Happy riding
